

# MARKS OF RED

A work of magical realism narrated by and featuring the viewpoints of six women, *Marks of RED* continues award-winning choreographer Shamel Pitts' research exploring Black embodiment, aliveness and human connection.

*Marks of RED* is an Afrofuturistic meditation on the "womb space," divining the effect that memory has on our experiences, senses, bodies, reality, and our imaginative possibilities.

The multidisciplinary work includes scenic designs by Mimi Lien, projection lights by Lucca Del Carlo, lighting design by Sarai Frazier, and production by TRIBE arts collective. The fourth chapter in the RED Series by Pitts, *Marks of RED* explores the nuanced multiplicity and deep complexity of self-expression, and the perceived spaces for regeneration, enfolding, implosion, rupture & potential.
